

House of Illustration Supports Artsmark

Artsmark award celebrates schools that champion the arts and strive for excellence in their provision. An award designed by schools for schools to make it more relevant to the changing educational landscape and, as such, it seeks to help schools strike a balance in meeting EBACC and STEM priorities. Find out more about Artsmark and how to register, see [here \(http://www.artsmark.org.uk/about-artsmark\)](http://www.artsmark.org.uk/about-artsmark)

We believe that engagement with arts and culture benefits all pupils, and we see this benefit in action every day in our workshops, outreach and projects. Artsmark is one way schools can commit to embedding these benefits across the school and House of Illustration is delighted to support schools on their journey. We have supported several schools already in London, Berkshire and Essex.

Our Teachers' CPD or INSET <http://www.houseofillustration.org.uk/learn/cpd-for-teachers> and school visits and workshops <http://www.houseofillustration.org.uk/learn/schools-25> help your school fulfil the Artsmark criteria as follows:

Our Whole-school INSET or CPD sessions are the best way to ensure that all teachers are developing arts and culture within the school. We can tailor the sessions to specific needs such as using sketchbooks, optimising classroom display or creating teaching and learning resources and curriculum design.

Our one-day CPD courses are ideal to send a key member of staff to, for an immersive day of cross-curricular illustration inspiration. Attending teachers are encouraged to disseminate their learning to the whole staff. These are usually held once per term.

Our school workshops are an exciting cultural and creative trip for your class. Suitable for all key stages and adaptable for SEN, pupils explore our exhibitions and take part in a workshop delivered by a professional illustrator. All workshops are tailored to specific school needs and can be cross-curricular, helping pupils and teachers use creative approaches to learning.

Our regularly changing exhibitions celebrate the work of diverse historical and contemporary illustrators; female, male, British and international.

If you are undertaking Artsmark accreditation, or thinking about it, drop us a line and let us know how you would like us to help education@houseofillustration.org.uk
