

Home-made Habitats: Material Collecting Activity

Throughout the week discover and collect your own range of home materials to reinvent and wear:

- Large Sheets of Card
- Paper Scraps
- Food Packaging
- Magazines
- Straws
- Kitchen Roll Sheets
- Textile Swatches / Old Clothing
- Ribbons / String

*Core materials that will also be useful for the workshop include glue sticks, scissors or tape but these are not essential. Collect as many items as you can, as they can always be reused.
